

me in recognizing the Museum on its many years of devotion to preserving the legacy and connection of the Kennedy family to Cape Cod.

HONORING THE CAREER OF MRS.
MARY HENDERSON

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. COSTA. Mr. Speaker, I rise today to honor the career of Mrs. Mary Henderson. Mrs. Henderson has devoted 50 years of outstanding service to the Dos Palos-Oro Loma Joint Unified School District. During these years, she has been a truly brilliant educator, serving her community and teaching generations of children in the Central Valley.

Mrs. Henderson has selflessly devoted her entire professional career to public education. She began her career in 1967, serving as a paraeducator for eight years before becoming a teacher in 1975. Mrs. Henderson has been educating, impacting, and improving the lives of hundreds of children for five decades, demonstrating a remarkable dedication to education. In addition to teaching our children, Mrs. Henderson is deeply committed to improving literacy in our community. She has spent countless hours working with adults as well as children, teaching them how to read.

Mrs. Henderson has been described by those who know her as an exceptional, skilled, and caring teacher. She provides her students with both endless patience and rich knowledge, and she always has kind words of encouragement. Mrs. Henderson is fondly remembered by generations of grateful students whose lives she has touched. Beyond her service as an educator, she is also an active member of Friends of the Library, supporting libraries in Merced County by volunteering at libraries and working on book donation programs and fundraising events.

Mr. Speaker, I urge my colleagues to join me in honoring Mrs. Mary Henderson for the 50 years of extraordinary and dedicated service. Through her teaching, compassion, and example, Mrs. Henderson has left a lasting impact on her community. It is fitting and appropriate that May 26th, 2017 be declared "Mary Henderson Day" in Dos Palos, California.

RECOGNIZING JULIA MATTOCKS
ON HER 99TH BIRTHDAY

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mrs. BUSTOS. Mr. Speaker, I rise today to honor the life and legacy of Julia Frances Mattocks, who celebrates her 99th birthday this Sunday.

Ms. Mattocks, Galesburg's 'Rosie the Riveter', serves as a role model in our community due to her tireless work ethic and dedication to serving others. As the United States entered the war after the attack on Pearl Harbor

in 1941, she stepped up and did her part to protect Americans abroad. With her sister Helen, Julia completed rivet work on B-17 Flying Fortresses, and worked at the Lockheed Vega plant in Burbank making Quonset huts for the military and airplane parts at Gale Products. Ms. Mattocks ultimately sacrificed her hearing in one ear and received chemical burns across her arms due to her work on behalf of our country. I celebrate and admire the role that she—and many other women—played in supporting our nation during a time of war.

Ms. Mattocks is a true inspiration for many people, and her passion and dedication makes her a unifying force within our community. Mr. Speaker, I am grateful for Julia's contributions and service to our community and our nation. I wish her a Happy 99th Birthday, with more to come.

RECOGNIZING THE CONTRIBUTIONS
OF INTERNATIONAL STUDENTS
AND SCHOLARS

HON. DONALD S. BEYER, JR.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. BEYER. Mr. Speaker, today I stand in recognition of international students and scholars, and the U.S. institutions of higher education they attend, all of which are bearing the brunt of this Administration's rhetoric and actions. To ensure our nation's security, economic well-being, and academic leadership, we must remain an open and welcoming nation.

According to the Association of International Educators, international students and their families contributed nearly \$33 billion to the U.S. economy during the 2015–2016 academic year. International students who have spent time in the United States become informal ambassadors when they return home, carrying an appreciation for common values, counteracting stereotypes about the U.S., and enhancing respect for cultural differences. They also act as cultural liaisons for U.S. students and help them succeed as global citizens.

Actions taken by this Administration have generated a great deal of uncertainty within U.S. academia. Many currently-enrolled international students and scholars will choose not to travel home at the end of the academic year, for fear they might not be allowed to return in the fall. Unsurprisingly, for prospective students, nearly 40 percent of higher education institutions reported application declines in international students for the first time in many years.

We must stop the anti-immigrant rhetoric and make the United States an open and welcoming country for the bright, ambitious international students who contribute greatly to our country.

I urge my colleagues and the Administration to recognize the vital contribution international students and their families make when we welcome them to this great country.

To the international students and scholars who may be unsure about coming, I say: Your

contributions are valued and you are welcome here.

IN RECOGNITION OF DR. THOMAS
C. PLEGER

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 25, 2017

Mr. BERGMAN. Mr. Speaker, it's my honor to acknowledge the life of a devoted community leader and dedicated educator, Dr. Thomas Pleger, who passed away at the age of 48 on Sunday, May 7, 2017.

Thomas was born on April 24, 1969, to Ernest and Barbara Pleger, and grew up just across the border from Menominee, Michigan in Marinette, Wisconsin. He earned his doctoral degree in archaeology and anthropology from the University of Wisconsin-Madison, and spent 21 years teaching at various private and public institutions throughout the region. Following his tenure as Campus Executive Officer and Dean at UW Baraboo-Sauk County, Thomas followed his passion for education into the Upper Peninsula where, on July 1, 2014, he became the eighth president of Lake Superior State University, a position he would hold until his untimely passing.

As the president of Lake Superior State University, Thomas is remembered for his warmth, generosity, and tireless devotion to the school and its students. Lake Superior State University experienced a tremendous period of growth under Dr. Pleger's stewardship, including the implementation of a One Rate tuition plan, the financial restructuring of the university, the advancement of the R.W. Conside Hall Renovation project, and the procurement of funding for the proposed Center for Freshwater Research and Education. These accomplishments eventually led to him earning an appointment to Governor Rick Snyder's 21st Century Economy Commission, where he applied his extensive background in education to identify Michigan's economic priorities for the next 20 years.

Beyond the campus, Dr. Pleger's leadership translated into real results for his community. Indeed, it was not uncommon for Thomas to lend a listening ear or life advice to prospective students, and he was known to connect on a personal level, with a lighthearted sense of humor. Today, Dr. Pleger is survived by his wife, Teresa, father, Ernest, brother, Tim, sons Matt, Andrew, Chad, and Collin, and his sister, Amy Pfister. Not only will Lake Superior State University bear the positive impact of Dr. Pleger for generations to come, but communities around the country will benefit from the countless lives he touched.

Mr. Speaker, Dr. Pleger's outstanding career in education cannot be overstated, and his family and community can take great pride in knowing that the Upper Peninsula is a better place thanks to his life's work. On behalf of Michigan's First Congressional District, I ask you to join me in recognizing an outstanding public servant whose contributions will continue to bless Yoopers for many years to come.
