

NAFSA: Association of International Educators is the largest association of professionals committed exclusively to advancing international higher education. The association provides leadership to its diverse constituencies through establishing principles of good practice and providing professional development opportunities. NAFSA encourages networking among professionals, convenes conferences and collaborative dialogues, and promotes research and knowledge creation to strengthen and serve the field. We lead the way in advocating for a better world through international education. To learn more, visit www.nafsa.org.

NAFSA thanks Rutgers University–Camden for its generous support of this event.
