Get Started Now!

Broadcast your text alerts

Do you have an audience, members, supporters, or patrons? Do they have cell phones? Start your mobile club now and stay connected.

- Schedule text alerts in advance
- Broadcast regional alerts from your phone
- Customize your own Broadtexter Widget
- People can join your club from their phones
- Members can share their mobile pics
- There's no spam, no junk, never...ever

Broadtexter is Free

User Testimonials

"Thanks for making it so easy for us to reach out to the fans, they're the ones that truly matter!"

Kevin Martin
Candlebox

"This service is remarkably efficient!"

David Mead
Singer/Songwriter, NYC

"Our band plays festivals...the big problem we have is letting our fans know what stage we're on and when. Broadtexter makes it so easy to keep our fans informed."

John Daily
Manager, Chiodos

Simply! A Hassle-Free Way for Teachers to Text Their Students

ClassParrot is the 100% safe, and simple tool that lets teachers reach students the way their friends do.

Send your students of upcoming exams, homework updates & event reminders. Parents opt-in to receive texts, too.

Teachers, Sign Up for Free

ClassParrot has been featured in these fine publications:

ClassParrot is being used by more than 1600 teachers in over 30 states:

Perfectly Safe

You don't use your phone, and you don't need to know your

SUMMER 2013 PROGRAMS

Welcome to TnCIS! We are very excited to share information on our 2013 programs with Tennessee students. Please click on any program flag to the left to see details about your program of interest. Check out our Campus Visits calendar in the News section to the right. We hope to see you on your campus this Fall to talk about the exciting opportunities for study abroad this coming summer. The TnCIS online application will open on October 1st so come back soon to get your application in early. Follow us on [Facebook](#) for a chance to talk about programs with students across the state.

Student Portal

[TnCISLogout](#)

Thank you for applying to a TnCIS Program. Please read the information below regarding the applicant and participant phases in the TnCIS study abroad process.

Progress 80%

In the Applicant Phase you will submit an application, transcript, recommendation and pay the application fee. You have already completed the online application and can review your submission below. TnCIS will update this portal once we receive your transcript and online recommendation. Application fees are reported to TnCIS by the institution. We will update your application fee payment in December for early acceptance applicants and in February for regular acceptance applicants. If you are accepted into your program, you will move to the Participant Phase after receiving your email acceptance notification (December or February).

Applicant Phase: 100%

Has Official Transcript	Has Online Recommendation	Paid Application Fee
Yes	Yes	Yes

Application Fee Date: 1/1/0001 (Early Application Fee)

Acceptance Status: Full Acceptance

In the Participant Phase, you will submit the four required forms found on the TnCIS website at <http://www.tncis.org/forms.aspx>. The forms listed in the Participant Phase will have a Yes under them when they have been received. You must also send TnCIS a copy of your passport picture page by the end of March. Please see your email acceptance notification for the exact deadline. If you require a visa for your program, you must also submit it to TnCIS within two weeks of your program departure date.

Main Features:

- Creates a **virtual encrypted disk** within a file and mounts it as a real disk.
- Encrypts an **entire partition or storage device** such as USB flash drive or hard drive.
- Encrypts a **partition or drive where Windows is installed** ([pre-boot authentication](#)).
- Encryption is **automatic, real-time (on-the-fly)** and **transparent**.
- [Parallelization](#) and [pipelining](#) allow data to be read and written as fast as if the drive was not encrypted.
- Encryption can be [hardware-accelerated](#) on modern processors.
- Provides **plausible deniability**, in case an adversary forces you to reveal the password:
[Hidden volume](#) (steganography) and [hidden operating system](#).

More information about the features of TrueCrypt may be found in the [documentation](#).
