Imagine yourself in Park City . . .

an old mining town, an international artists' colony, a world-class ski resort.

Home of the Sundance Film Festival and the 2002 Winter Olympics.

Dine on historic Main Street, hike through an aspen grove, listen to live jazz, experience boutique shopping, or go on a pub crawl.

In historic Park City, the new crossroads of the West.

Park City Marriott

A Great Place to Meet

The Park City Marriott is nestled in the heart of Park City, 36 miles from the Salt Lake City International Airport. Nearby historic Main Street offers outstanding night life, shopping, and restaurants. Guests may enjoy championship golf, tennis, hiking, hot air ballooning, and a wide range of other outdoor activities, along with Park City's magnificent mountain scenery. And don't forget the most famous snow on earth.

A Good Night's Sleep

Their 199 newly remodeled guest rooms are elegantly designed for complete comfort. Guest rooms feature the new Revive bedding, as well as new granite bathroom counter tops.
