# “The Big 5”

## Players in the EV Program

---

- Department of State (DOS)
- Exchange Visitor Program Sponsors
- Responsible Officers (ROs) and Alternate Responsible Officers (AROs)
- Exchange Visitors (J-1s & J-2s)
- Department of Homeland Security (DHS)

# Special Features

---

- Multiple types of exchanges within one immigration classification or visa type
- RO/ARO responsibility
- Participation does not need to be specific to an institution
- Possible home residence requirement
- Mandatory health insurance
- Dependents eligible for work authorization / study
- Orientation requirement

# Clarification of “Sponsor”

---

- “Exchange Visitor Program Sponsor”
  - The Visa Sponsor: who issues the DS-2019 and administers the program
  - Appears in Box #2 of Form DS-2019
- “Financial Sponsor”
  - Can be different from the EV Program Sponsor
- These may both be different from the school of attendance!

# General Program Requirements

---

- Size of Program
  - At least 5 Exchange Visitors per calendar year
- Program length = minimum of 3 weeks (except in Short-Term Scholar category)
- Reciprocity – promoting exchange in the other direction as well (e.g. study or internships abroad)
- Cross-Cultural Activities

# Responsibilities for the Institution and RO

---

- Adhere to DOS regulations
- Notify DOS of RO/ARO changes using SEVIS, followed up by signed, written citizenship statements
- Keep adequate records & prepare an annual report
- Provide pre-arrival information
- Offer appropriate orientation
- Furnish information to DOS as requested
- Retain all records related to Exchange Visitors for at least 3 years after EV period of stay
- Ensure adequate staffing and sufficient support services for the EV program

# Pre-Arrival Information

---

- How do you deliver this information?
  - Online (website); Handbook
  - Handouts accompanying DS-2019
  - DOS-EVP brochure
- Home Country physical presence requirement
- Health insurance requirement / health care
- Housing information
- Program information / campus information
- Employment basics
- Visa application process / arrival process

# Orientation

---

- Orientation is required
- Health care, health insurance
- J visa regulations; review of visa documents
- Payroll, ID cards, SSN, university procedures
- Exchange Visitor Program information
- Personal/individual orientations or group orientation sessions

# Exchange Visitor Program Activity Categories

---

- Alien Physicians\*
- College & University Students\*
- International Visitors
- Research Scholars\*
- Short-term Scholars\*
- Summer Work Travel Participants
- Student Intern\*
- Trainees\*
- Interns\*
- Au Pairs
- Government Visitors
- Professors\*

\* COMMON IN HIGHER EDUCATION

# J-1 Student Category

---

- Studying in the United States, pursuing a full course of study leading to a U.S. degree

*OR*

- Engaged in a prescribed course of study (non-degree) of up to 24 months in duration, in a program conducted by a post-secondary accredited educational institute

*OR*

- Engaged in academic training authorized by the RO/ARO

# J-1 Student - Eligibility

---

Students must meet one of the four criteria at any one point during their college studies:

1. Student or program is financed directly or indirectly by:
  - U.S. government
  - Student's home country government
  - An international organization which the U.S. is a member by treaty or statute.

*OR*

2. Program is an agreement between the U.S. government and a foreign government

*OR*

# J-1 Student - Eligibility

---

*(continued)*

3. Program is pursuant to a written agreement between:

- American & foreign educational institutions
- American educational institution & a foreign government
- A state or local government in the U.S. & foreign government

*OR*

4. Student is supported substantially by funding from any source other than personal or family funds.

## J-1 Student – Eligibility

---

If a student is eligible for J-1 student at *any* point in his/her program, then that person will continue to be eligible for J-1 student until the end of the program.

Loss of outside funding does not mean loss of J-1 student status.

# Why sponsor in J-1 status?

---

## J-1 vs. F-1

Why would you sponsor a student in J-1 status vs. F-1 status?

- Because their funding / sponsor / exchange agreement mandates it
- Because the student qualifies and the student requests to study in J-1 status
- Develop institutional policy!!!!

# Amending Program Start Date

---

- EV cannot arrive within 30 days of start date on DS-2019?
  - Can amend the program start date in SEVIS to reflect later arrival
    - Get approval of late arrival from Admissions Office or host department
  - Updates in SEVIS so record appears at Embassy and Port-of-Entry
    - Print new DS-2019
    - Try to get to EV before entry if possible
