1. Chair's Corner

My tenure as Chair of the Southern District Leadership Team is coming to an end, and Kasey McCarthy (current Chair-Elect) will soon take the lead. Thank you for allowing me the opportunity to serve the District in 2011. I look forward to continuing my work on the Leadership Team as Past-Chair. At this time, we want to send a special thanks to Laura Flower Kim who, as current Past-Chair, is cycling off the Team after serving the District for several hard-working years.

The District is not only in need of a new Chair-Elect, we are also looking to fill a few more positions, including Education Abroad Representative, International Scholar Representative, Nevada Representative, and Recruitment, Admissions, & Preparation Representative.
