New! As universities work to recruit and retain international students, there is a growing need to develop methods and resources that address the unique mental health concerns of their international communities. This important new publication features helpful resources and practical, action-oriented checklists from an array of international education professionals, including international student advisers, licensed psychologists and psychiatrists, and a representative from the insurance industry. It discusses subjects such as peer mentoring programs, insurance for mental health services, and advice for handling day-to-day stressors.

REVIEWS

"The volume serves as a comprehensive guide that is grounded in real-world examples and concrete strategies that advisers can adapt and adopt."

—Karin Fischer, correspondent, *The Chronicle of Higher Education*

"This publication is growing in relevance as more and more students are experiencing stress and mental health issues. It is loaded with excellent information and strategies that will help international student advisers, faculty, and counseling professionals deal with these issues when they come up."

—Kay Thomas, former president of NAFSA and director of international student and scholar services, University of Minnesota

"There is abundant value in the checklists and the references to current research found in each chapter. This is a requisite book for international educators to have on their bookshelf and then share with colleagues in counseling, student affairs, and other key areas."

—Nancy E. Young, international education consultant and author, *The Handbook of International Student Advising*, Third Edition

SENIOR INTERNATIONAL OFFICERS: ESSENTIAL ROLES AND RESPONSIBILITIES

EDITED BY DAVID L. DI MARIA

FOREWORD BY ÁNGEL CABRERA

Senior International Officers: Essential Roles and Responsibilities examines the strategic, organizational, and administrative elements involved in the senior international officer (SIO) position. Written by a diverse group of international education leaders, the book covers common SIO responsibilities, including developing internationalization strategies, managing international risk, and generating revenue to support initiatives.

REVIEWS

"This is an absolute treasure trove of useful insights, case studies, and resources for those charged with leading their university's internationalization. It brings together experts from diverse institutions who identify and generously share the state of the art on all the key issues facing senior international officers and their colleagues."

—Sue Roberts, associate provost for internationalization, University of Kentucky

"From its introductory chapter to the valuable appendix of resources for SIOs, this book can be placed among the most comprehensive currently available."

—Gil Latz, vice provost for global strategies and international affairs, The Ohio State University

"[It] brings together in one book new ideas and research and all the critical topics and dimensions of effective leadership for internationalization. A major strength of this book is its comprehensiveness. Each chapter serves as an excellent learning and teaching resource."

—Augustine O. Agho, provost and vice president for academic affairs, Old Dominion University

SOCIAL JUSTICE AND INTERNATIONAL EDUCATION: RESEARCH, PRACTICE, AND PERSPECTIVES

EDITED BY LANITRA M. BERGER

Coming fall 2020! *Social Justice and International Education: Research, Practice, and Perspectives* brings together a group of educators, scholars, and practitioners in the field of international education who are doing important and innovative work promoting social justice, confronting inequality, and fostering social responsibility in a global context. The book does not operate on a singular definition of social justice; rather, the authors describe their own working definition and how it has guided their international education work. Divided into three parts, the book explores social justice research, social justice in practice, and different perspectives from practitioners across the field.

NAFSA'S GUIDE TO INTERNATIONAL PARTNERSHIPS: DEVELOPING SUSTAINABLE ACADEMIC COLLABORATIONS

EDITED BY JANE GATEWOOD

FOREWORD BY SUSAN BUCK SUTTON

New! Increasing in importance over the last decade, institutional partnerships serve as both an internationalization tool and as a function of the global higher education landscape. *NAFSA's Guide to International Partnerships* delves into the parameters of international partnerships, identifying sound practices for the cultivation of partnerships that foster deep, rich, and sustainable connections internationally. Reflecting perspectives of professionals from institutions across North America, the chapters in this volume cover a broad spectrum of partnership types, modes,

and means of engagement, as well as methods of assessing, scaling, and sustaining them institutionally.

This book includes all of the international partnerships installments, along with several case studies, together in one book.

GLOBAL LEARNING AND FACULTY RESOURCES

MAKING GLOBAL LEARNING UNIVERSAL: PROMOTING INCLUSION AND SUCCESS FOR ALL STUDENTS

HILARY LANDORF, STEPHANIE DOSCHER, AND JAFFUS HARDRICK
FOREWORD BY CARYN MCTIGHE MUSIL

Copublished with
Stylus Publishing, LLC

While there is wide consensus in higher education that global learning is essential for all students' success, there are few models of how to achieve this goal. The authors of this book, all of whom are from one of the nation's largest and most diverse research universities, provide such a model and, in doing so, offer readers a broad definition of global learning that both encompasses a wide variety of modes and experiences—in-person, online, and in cocurricular activities at home and abroad—and engages all students on campus.
